We staff for Head Starts in the City of Chicago and Chicagoland Suburbs.

- **Great way to acquire early childhood classroom experience**
- **Full and part time positions available**
- **May be able to work around school schedule**
- **We offer Tuition Reimbursement**

### **Our Clients Information**

Not- For Profit Early Head Start/ Head Start Programs throughout Chicago. Our clients offer educational, health, disability, mental health, nutrition and social services to children from birth to 5 years of age. Educational services are designed to meet the child's individual interests. Learning experiences are planned to foster total growth and developmental skills. Children participate in music, art, language, literacy, dramatic play, math, science, and computer activities.

### **Overall Job Description**

A Teacher Assistant and Teachers Aide works cooperatively with the Lead Teacher to plan and implement the daily education program for the children. Under the supervision of the Lead Teacher, the Teacher Assistant will execute classroom activities and help maintain a classroom environment that are developmentally appropriate and meet the individual needs of children as mandated by federal, state and local standards, and that reflect the agency's philosophy and curriculum.

### **Required Skills**

- Ability to learn and implement Early Head Start/ Head Start Performance Standards
- Talent to implement early childhood principles and practices to specific ages (0-3 or 3-5)
- Desire to work as a cooperative and supportive team member in a classroom setting
- Ability to communicate and work with diverse families and professionals

### **Educational Requirements:**

- High School Diploma *w/min. of 6 early childhood or child development college credit hours*
- Infant-Toddler CDA
- Associate's Degree in Early Childhood or Child Development
- Bachelor's Degree in Early Childhood or Child Development
- Illinois Professional Education License in Early Childhood Education (Type 04)
